MESSAGE

It gives me immense pleasure to learn that Food Craft Institute, Ajmer is bringing out the Seventeen issue of its annual magazine 'Mile-Stone'. I am sure that information in this issue will be quite comprehensive and will give details of the various activities conducted by this Institution.

I wish a grand success to this publication and a bright future to the Institute and the students.

From the
Principal's Desk 

I am very much pleased to present before you 17th Issue of our Annual Magazine.

The past year has been very successful and satisfying academically. Out of 84 students who appeared for the final examination, 66% achieved 1st division, and the balance passed in 2nd division. There were no failures. Mr. Dilip Kumar of Front office secured 79% aggregate, closely followed by Mr. Virender Singh of Front Office, who secured 78%.

The training and placement figures were also very encouraging, whereby all the students were successfully trained and subsequently found gainful employment in various hotels and catering establishments of repute.

Insofar as the flagship HSRJ Programme is concerned 240 candidates were trained under this scheme till the month of March 2013 and most of them have found gainful employment.

I express my sincere gratitude to the Hon'ble Chairperson and to all the esteemed members of BoG for their constant and whole hearted guidance and support extended to us. We reiterate our motto to make Food Craft Institute, Ajmer as one of the finest hospitality training institute in India.

Wishing you good luck and happiness in 2013.

Happy reading.
